

Valued Norton Customer,

We welcome you to our HP Manufacturing Co, Inc. family. By now, you have been notified that as of April 1, 2019 HP Manufacturing Co, Inc. has acquired Norton Lighting Plastics, a division of Norton Industries, Inc. This newly acquired division will be referred to as “Norton Ceiling Plastics” within HP Manufacturing Co, Inc.

We are extremely pleased to have the opportunity to work with you and offer our 80 years of experience in the plastics industry. Since 1939, HP Manufacturing Co, Inc. has been producing high volume, quality custom plastic components, assemblies and displays with a worldwide footprint. Hopefully, you are familiar with our retail store “House of Plastics” where we accommodate to local one-off fabrication needs, as this will be the main pick up address.

As I have made the transition from Norton Industries, Inc. to HP Manufacturing Co, Inc. please feel free to reach me at the below contact information. If you have not already, please update my contact information for purchase order dispatching. I look forward to continuing to grow our working relationship and offering you more capabilities then before.

Sincerely,

Daniel H. Zirzow

Product Manager
