WHAT DO WE DO AND WHAT DO WE STAND FOR?

Equine Rehabilitation Central Texas is a 501(c)3 non-profit organization, formed in June of 2012 to rehabilitate neglected horses. Hearts Therapeutic Riding emerged as some of these rehabilitated horses gained new purpose in serving children and adults with special needs and individuals recovering from trauma.

Therapeutic riding helps its riders with; cognitive, physical, emotional and social well-being. Hearts Therapeutic Riding, provides benefits in the areas of health, education, sport, recreation, and leisure. A disability does not limit a person from riding our horses!
