Thanks to Dave Ragland, Bob Fanjoy, Rick Zapf & Tom Levenhagen for coming out today. Bob did double duty by coming out on Thursday to lay out a couple of stages, without that head start we'd still be there now! TROUT NEWS

WE DID IT! Another successful IWLA Trout Season...and we couldn't have done it without all our fish-volunteers. THANK YOU!

We just can't thank you enough—all the feeders & stocking volunteers who helped during the 2021 season. They did a great job all season and it showed by the size and health of the trout. The turn-out of additional volunteers for releasing the trout exceeded our expectations. This strong IWLA member support provided shorter working hours for the trout-crew, faster release for the trout and a fun learning experience for young & old(er) volunteers.

The 2020-21 season ended in May and the clean-up of the nursery will start sometime in September. Over the summer months we are cleaning up the Trout House and completing minor repairs to the nursery.

Mark your calendars now for the 2021-22 Trout season, starting up late October. Hopefully, we won't have Covid restrictions, allowing for normal trout activities then. Jerry and I look forward to seeing the familiar faces from this Spring, and to welcoming new member-volunteers to help raise a new hover of juvenile trout.

We invite any member who would like to participate with trout activities to contact Bob Nelson at treasurer@yorkiwla.org.

The Archery Committee will hold a meeting on 7/27, at 7 PM in the clubhouse, to discuss the Future of the Archery Committee. ANYONE, as in ANYONE, interested in Archery, Bowhunting, etc., who wants to see the opportunities at the Chapter grow and expand, should attend !!

OTHER NEWS

MEMORIAL SERVICE At 6:30, just before the start of the open meeting on July 20, we will have a memorial service at the flagpole or the clubhouse, as weather allows.
