Photography Policy

Thank you for considering our farm for your photography sessions

- Photographer must schedule a date, time & number of sessions with Moore's Christmas Tree Farm in advance. **All photography sessions must occur before opening day** (the Friday after Thanksgiving). We will reopen for photography sessions in January. In the spring/summer we offer photography locations near our daylily and gazebo area as well as the tree fields.
- You will reserve a block such as morning or afternoon on a specific day. You may reserve multiple blocks, but you must plan to use the time you have reserved or alert us so the time can be offered to other photographers.
- We limit the number of photographers per session. If fully booked, we will offer a waitlist spot or offer alternative times if available.
- We reserve the right to repost all photographs taken on the farm which are shared to social media. We will always tag the original creator with credit for the photos. We request that you tag Moore's Tree Farm on Facebook and Instagram if you post photos of your sessions.
- A waiver must be signed that releases the farm from liability.
- A fee of \$20 per family will be assessed, \$30 for large groups.
- Please be careful of holes, stumps, & other hazards.
- Do not enter any buildings without permission.

Thank you,

Moore's Christmas Tree Farm
