## HAPPY LABOR DAY!

Throw up our feet,  
Start up the grill,  
Toss on the burgers  
And we'll all eat our fill.  
Put up the tools,  
Watch the grass grow,  
Forget the leak  
And the commode overflow.  
The dishes can wait;  
go out and play,  
There's good reason to be lazy...  
It's called Labor Day!

Labor Day honors workers' social and economic achievements. It is observed as a national holiday in almost 80 nations. It is intended to serve as a yearly and national recognition of the dedication and sacrifices of workers who secure the country's success, strength, and well-being.

### BUS LINE PROCEDURE

When you arrive at the bus you, **PHYSICALLY**, can get in line. You **CANNOT** put a bag, cart or any other object in line to hold your place. You are able to save one seat, which is for the person that will be sitting next to you. You are not able to let all your friends get in line with you. If this happens, your whole group will be asked to get in the back of the line. It is not fair to the people that get there early to sit where they want to sit.

### TRIP PAYMENT POLICY

It has always been our policy that once a reservation is made, payment is required 2 weeks after. Holding unpaid reservation is unfair to everyone, travelers and us included. Again if you have to stop and think if I am talking to you, "yes, I am".

Please understand that once we paid for your tickets/meal we cannot offer you a refund or credit unless we are able to sell the seat. As you know, we always try and resell your ticket so that you don't lose any money. We understand that things happen that we cannot foresee and we try our best to get someone to replace you so that no one is out the money. Please contact us on a one to one basis if you have financial difficulties with this policy.

## TONY'S BLOG

September has always been one of my favorite times of year. The weather is usually very pleasant. As, thinking back, it was not always my favorite time because it was back to school. This brings me to a very important issue. Now that school is back in session, the traffic is now heavier. Trips that are leaving early, especially run into heavier traffic. Not to mention all the construction that is going on everywhere. It is very important, and has always been our policy, for the bus to depart on time. I think it is a good idea for everyone to get in the habit of always planning on being in the parking lot no later than 15 minutes before the departure time. Unfortunately, there have been a number of people that have missed the bus lately. This also becomes a big burden on us, as we don't like to see anyone lose there money.

### ACME PARKING

Please patronize the Kenilworth Acme for allowing us to park in their lot for our trips.

Also, please note that when you are parked at the Acme, you are parking at your own risk and the Acme cannot be held responsible for anything.

## GIFT CERTIFICATES

Our Gift Certificates make the perfect gift for anyone, for any occasion and for any amount. Please call to get one!

**POLICY FOR DAY TRIPS**

It has always been our policy that once a reservation is made, payment is required 2 weeks after. To our own fault, we have been very lax with this policy. Our computer system is now set up to remove names that are not paid within that time frame. Holding unpaid reservation is unfair to everyone, travelers and us included. Please understand that once we paid for your tickets/meal we cannot offer you a refund or credit unless we are able to sell the seat. As you know, we always try and resell your ticket so that you don't lose any money. We understand that things happen that we cannot foresee and we try our best to get someone to replace your reservation so that no one is out the money. Unfortunately, this is becoming more and more of an issue and is putting us in a difficult spot. Please contact us on a one to one basis if you have financial difficulties with this policy and we will do our best to work with you.
