**A. Please help us identify all vocation discerners in the U.S. and Canada. You can do so by:**

Sharing the link: [www.testyourcalling.org](http://www.testyourcalling.org) at any time anywhere, at the end of mass or in church bulletins, on your community website, during retreats, youth groups and retreats, theology courses, etc. The work we do is so important because once we identify a discerner we stay with them until they are done discerning. This site offers positive affirmation for all vocations (including holy matrimony). It also offers a free 4–6 page personal analysis of one's spiritual gifts and things to work on.

B. Reminder: we are already telling discerners (before they are referred to you) to visit several communities in person as soon as possible to experience the life firsthand.
