**RELEASE FORM (Must be returned with application)**

Due to the popularity and size of our Parade, we cannot add units after the cutoff date. We will contact you via email or letter one week prior to the Parade to let you know your Division Color. It is imperative that you communicate your location in the Parade to all your participants. It is also vital that you stay where your Division leader places you and that everyone in your group follows the directions of the Division leader.

Please visit our website at [www.rvcstpatrick.com](http://www.rvcstpatrick.com) to relive last year’s successful fundraisers, Grand Marshal Reception and of course, the Parade itself.

The Rockville Centre St. Patrick’s Parade Committee thanks you in advance for your contribution to the success of our parade and charities.

- We have been asked by the Rockville Centre Police Department to remind you that alcohol is not permitted in the staging areas and no one should be carrying an open container of alcohol along the Parade route.
- There is to be NO stopping along the Parade Route, other than natural stops with the Parade progression.
- There will be no performance in front of the bandstand at the Cathedral.
- There will be no throwing of ‘treats/goodies’ from vehicles.
- We have had too many incidences of small children running into the street toward the vehicles. You must have people walking alongside the vehicle to distribute any treats/goodies.

**Please sign and return with your application/payment no later than February 11, 2019.**

By signing this agreement, you agree to what you have read above regarding alcoholic beverages, the cutoff date, stopping along the parade route and distribution of ‘treats’ from your vehicles. I agree to follow the guidelines mentioned above:
