

November Board Meeting for Neighborhood

Our next board meeting, with the first 30 minutes open for homeowner comments at 6:30 pm, will be on Wednesday, Nov 6 at 2251 Bluebird Drive. Please email hoa@fachoa.org if you are planning on sharing your comments with us at the beginning. We'll update you via email if our timing changes.

The meeting agenda will be posted closer to November. Also, please email any agenda items to hoa@fachoa.org if you are unable to make it but would like your topic discussed.

August Yard of the Month

The Farm at Creekside HOA Yard of the Month winner for August – 2019 is 2200 Creekside Drive; on the corner of Creekside Drive and Eagleview Circle, belonging to Mark and Emily Whisman. Because it is located at a well-trafficked entrance to the subdivision, the Whisman's have tried to maintain a well-manicured and inviting look into the neighborhood. Along with a plush, trimmed lawn, there are splashes of color that pop-up throughout the summer season, such as the pink dianthus adding accent to the late summer. One of the joys of the spring blooms are the deep maroon peonies that were transplanted from a favorite aunt's garden. They serve as a reminder of her warm heart and green thumb. In winter, the ornamental blue spruce and various other shrubs serve as platforms ready to take on their annual glow of green and red Christmas lights. Congratulations to Mark and Emily, Yard of the Month August – 2019.

Oktoberfest - September 28

The social committee is working on bringing back Oktoberfest for another year. The current date is set for September 28 in the afternoon. Further information to come on the website, in an email and on signs at entrances. Keep your eyes open for more news about this exciting events!

Keeping our Neighborhood Nice

Please remember that your HOA board is made up of volunteer members and cannot see or hear everything in the neighborhood. If you see something in the neighborhood, such as a

violation of the property guidelines or are concerned that something may violate community guidelines, please bring it to their attention by emailing them at hoa@fachoa.org. The board is happy to receive your feedback and will determine whether or not something is in violation. We all need to work to help keep the neighborhood nice.

Neighborhood fence

It is the growing season (once the rain stops!) and we need all the neighbors that have a fence on their side or back border to ensure there is nothing growing over, on or through the fence. Also, please make sure nothing is “leaning” against the fence, including rock, dirt or other matter. This will help us keep our fence for years to come.

Finally, if you see any damage to the fence, drop an email to maint@fachoa.org and include name, phone number, address and type of damage. Thank you!

Spring/Summer Yard Maintenance

Please keep an eye on your yards especially side yards for any volunteer aspen trees and weeds that are growing. The planting of new aspens are not allowed by property guidelines and yards should be maintained to eliminate weeds. Volunteer aspens growing in your yard must be cut down and/or pulled and not left to mature. Thank you!
