

Qanat Al Qasba

Location: Sharjah, UAE
Project Value: 15 million US
Services Provided: Landscape Design
Size: 5 Hectares
Client: Sharjah Royal Family

Qanat Al Qasba is the major public square in Sharjah, UAE, The Qanat or canal runs through the middle of the square to the major Mosque in the city. The design layout is formal in its planting form and natural in its hardscape. Our task was to make the plaza and square both pleasant and accessible to all.
