## Services Offered

Consulting services are conducted by appointment only. These services may be conducted one-on-one or in a group setting depending on the type of service and your preference .

Services focus on educational needs and any circumstances that may affect the learning process.

The goal is to partner with parents, students, teachers and employers to enhance the learning process for all students.

*General Information & Price List for Services*

**Phone: (618) 553-1021**

# Could YOU use ECS?

**Parents:** Are you concerned about your student's classroom behavior or grades? Is your student behind grade level? Do you have questions about career or college planning? Do you have concerns about the enrollment process for college or applications for scholarships and financial aid?

**Students:** Do you need homework help or extra tutoring? Do you need help with an essay or term paper? Do you have questions about the college application process or career choices? Do you need help preparing for the ACT? Do you want advice on what colleges and scholarship committees look for in essays?

**Teachers:** Feeling burned out? Do you need ideas on how to handle varying needs in the classroom?

**Employers:** Do you need to provide training for employees regarding professionalism and ethics for the workplace? Do you need to enhance communication skills in your workplace?

If you answered "YES" to any of the above,

**YOU CAN USE ECS!**
