SEARCH AVAILABILITY

The campsite block expires on July 12. *Unclaimed camping spots will be open to the general public starting July 13.*

Availability for campsites is in real-time on our reservation page for Thursday, August 8 - Sunday, August 11..

Each reservation made prior to July 12 requires a minimum of 1 wristband purchase for the Saturday night event per person in your reservation, good for admission for the people in your camping group. You can add more wristbands to your reservation if you have others joining you. Wristbands will be distributed upon check-in. *This helps pay for the costs associated with food and entertainment for the night. Reservations placed after July 13 will need to order wristbands for the Saturday event by contacting the office directly.*

If you would like to arrive earlier or stay later than the dates of the campsite block for the event weekend, just follow these easy steps:
