

The City of Fountain Inn will conduct an Arbor Day celebration on Friday, December 2nd at 3pm in the Fountain Inn Municipal Cemetery. An Arbor Day proclamation will be delivered at the celebration. The celebration will highlight the thirty-five trees planted by Trees Greenville in partnership with the City of Fountain Inn in Municipal Cemetery (Hwy 418 – across from TD Terry Park) during 2016. The planting is part of an effort to revitalize the municipal cemetery and necessary to qualify for the Tree City USA designation in 2017. In 2017 Fountain Inn will celebrate 15 years as a Tree City USA designee.

The municipal cemetery revitalization is one of several projects identified by the city's Master Planning process which is on-going currently and is slated for completion in early 2017. The planting and Arbor Day celebration is part of the city's commitment to maintain and improve the area's quality of life and ensure the area remains attractive visually and healthy ecologically.
