

The Kerr County Celtic Association will be hosting their fourth annual Highland Dance Competition over the weekend of October 12th & 13th, 2019, in Ingram, Texas.

Highland Dancing has a long tradition of being an integral part of any highland games because it is both an art and a sport that provides competitors with the opportunity to build self-confidence, discipline, perseverance and athletic ability. It also promotes the preservation of Scottish culture and ensures that this knowledge can be passed onto future generations.

A great deal of time and hard work from our volunteers goes into preparing for our annual Highland Dance Competition. There are many expenses involved to assure the competition is run according to the US and World Highland Dance organizations. We have accomplished this in years past thanks to the kindness of patrons like yourself.

We would greatly appreciate it if you would consider helping support the Highland Dance Competition for 2019. As a sponsor, you or your organization will be noted in the dance competition program, the Highland Games web page, and announced prior to awards. The Kerr County Celtic Association is a not-for-profit 501(c)(3) organization so all donations are tax deductible. In addition to awards, donations are used to help cover operating costs, professional fees, and travel expenses.

If you would like to become a sponsor, please mail your donation in by October 1st so we have plenty of time to include your information in our program. If you should have any questions, please do not hesitate to call or email me.

Sincerely,

Mary Beth Klein, Competition Chairperson
