RE: 2020 Brooklin Spring Fair

To our valued community, fair-goers, supporters, and friends,

Out of an abundance of caution, we, the Board of Directors of the Brooklin Agricultural Society have made the difficult decision to cancel the 2020 Brooklin Spring Fair – scheduled for the first weekend in June.

The decision was not an easy one to make, but due to the current world circumstances and the ever-changing threat of the COVID-19 virus we feel it is our responsibility to do everything possible to avoid risk to you, the community and the many fair-goers who would be visiting our small town of Brooklin. The health and safety of our fairgoers, partners, volunteers and the broader community is our priority.

We wish you good health – and hope to see you all again in 2021.

Follow our social media posts for potential activities throughout the year.

Thank you for your continued support,
