The Kids Committee will be selling bottled water, mimosas and 805 beer and donating 25% of the proceeds to Reptacular Animals, who lost not only their family home, but all of the buildings that housed their nearly 500 rescue animals in the Creek Fire back in December. Thankfully, all family members and every animal made it to safety. For more information, please click on the link located below the E-Blast to be directed to Reptacular Animals' GoFundMe Page.
