

2023 Candidate Questionnaire

- 1. Why are you seeking CSEA's endorsement?**
- 2. What is your position on privatization of services? Include examples if possible.**
- 3. The importance local government services have never been more evident than throughout the pandemic. However, over the past decade, we have seen the workforce erode as it endured flat budgets, intentional downsizing in nearly all sectors and diminishment in retirement and health benefits. This can only be addressed by investments from local governments in the workforce.**
- 4. How have you supported the local government workforce and the public services they provide?**
- 5. Would you vote against budget cuts impacting public services and the workforce?**
