

ACI Intermountain Chapter

2020 Excellence in Concrete Awards

ABOUT THE AWARDS

The American Concrete Institute is an international organization dedicated to the advancement of concrete technology through research and education. The ACI Intermountain Chapter has established the ACI Excellence in Concrete Awards Program to recognize the innovative and aesthetic uses of concrete by owners, architects, engineers, contractors and ready mix producers.

Award recipients will be recognized at the 32nd Annual Excellence in Concrete Awards Dinner to be held Friday, April 17, 2020, at The Little America, 500 S. Main Street, Salt Lake City, Utah. Each member of a winning project team will receive an award.

ELIGIBILITY

Nominations will be accepted for projects completed within the Intermountain Chapter boundaries from January 1, 2018 through December 31, 2019.
