Team Captains

The 2019 "double elimination" tournament consisted of 10 Pelican Landing neighborhood teams and not only did Sandpiper Isle win the tournament but it was the only undefeated team. **SPI is also the defending 2018 Champions!**

Sandpiper beats Cielo  
11-7 and 11-7

Not only did Larry Hartman find time to play on the Sandpiper Team but for 2nd consecutive year he was the organizer and commissioner of Pelican Landing Neighborhood Tournament. Not an easy challenge but one he excelled at. Thanks Larry!
