clubhouse. You are welcome to  
come in and borrow a book,  
but please remember to return  
it when your are

done so others can  
enjoy it as well.

## OAK HOLLOW NEIGHBORHOOD WATCH GROUP

Watch Group reminds us that maintaining safe and crime free neighborhoods is a community effort. The residents of our five communities should always be observant of suspicious activity and things that seem out of the ordinary. Being the eyes and ears of the community is our first link to stopping crime.

Suspicious activity should be reported to: CCSO non-emergency 941-639-0013

Emergencies only: "911"

Helpful tips for preventing crime:

1. Car door and windows should be locked
2. Bicycles locked or garaged
3. Install outdoor security lighting
4. Keep bushes trimmed by house windows

Questions or Information call:

Tom Jenkins: 401-847-1711 or 401-457-8701

Bill Privee: 941-625-2030

The Charlotte County Sheriff's office has made the public aware that the 2020 Census data collection effort will begin August 4th through October 11, 2019. The Census Bureau's temporary field staff will work in

neighborhoods across Florida to update address lists and maps using a laptop computer. Field staff will be knocking on doors in order to verify addresses and gather information on additional living quarters, in an effort to accurately count the population.

If you are visited by someone from the Census Bureau, here are some ways to verify the individual is a Census Bureau employee. The field representative will present an ID badge that includes:

- **their name, their photograph,**
- **a Department of Commerce watermark, and**
- **an expiration date.**

**\*\* Please note that the Census Bureau will never ask for your full social security number, bank account number, or passwords.\*\*** For more information you can visit

<https://ccsoblog.org/2019/07/29/census/> &

[www.census.gov](http://www.census.gov)

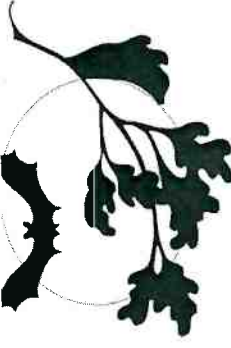

Mold is a fact of life in Florida especially in the last days of the hot and humid summer months. Now that we are in the fall season, it is a good time to evaluate your property for mold/mildew, and dirt on your walls, sidewalks and driveways . These can be dealt with on a spot clean basis for a while with bleach and a scrub brush but eventually your property will need pressure washing. Thank you in advance for your cooperation in this matter. As it benefits the whole community.
