Talasilver™

Supreme protection comes with a touch of lush luxury in ROMERO Series. Just like the flower it was named after, the ROMERO mattress exudes exceptional delight through its exquisite soft texture of its deluxe suede fabric and impeccable health benefits.

Designed using the revolutionary Dunlopillo Talasilver Latex that eliminates any presence of bacteria, you can now sleep with peace of mind while you immerse yourself in the plush comfort of the mattress.

Indulge in the comfort of ROMERO Premium, which features:

DUNLOPILLO TALASILVER LATEX

Using Nano Silver technology, Dunlopillo Talasilver Latex eliminates bacterial growth and with it quilted right to the top of the mattress, its protective properties and comfort is maximised, giving you a healthier, more luxurious slumber.

PREMIUM MICRO-SUEDE FABRIC

The micro-suede fabric is a woven blend that is made from very fine, delicate fibers to resemble the lush texture and qualities of suede leather. It is exceptionally durable and soft to the touch, giving you a truly luxurious experience when you sleep.

CONVOLUTED FOAM SUPPORT

The unique pattern provides extra cushioning and comfort as it absorbs physical stress and provide for better weight distribution. In addition, the pattern also responds to bodily contours, while the material permits more air circulation.

INDIVIDUAL POCKETED SPRING SYSTEM

14cm springs are individually created and then placed in their respective fabric pockets in a parallel arrangement, delivering excellent support for you and your partner regardless of weight or size.

FOAM ENCASMENT EDGE SUPPORT

Designed with high density foam, the foam encasement allows you to sleep right to the edge of the bed without rolling off. This increases the sleeping surface area along with the durability of your mattress.

UNIQUE BOX TOP DESIGN

Featuring a unique box top design, the additional 2-inch cushioning forms extra comfort layers, creating a soft, lush sleep surface that delivers superior comfort for a more restful sleep.
