

August 13, 2020

Dear Parents/Guardians,

Blessings this day!

This email contains details and information for the reopening of Our Lady of Port Richmond for the 2020-2021 school year. As we've been communicating, our internal task force has been working extremely hard to review all of the information available to us from the Archdiocese of Philadelphia, the State of Pennsylvania, the City of Philadelphia and various health organizations to formulate a plan and procedure for opening in September.

At this time, I would like to thank all of those involved in this process for their countless hours of work, invaluable insight and commitment to delivering a plan designed to deliver the best of Catholic education in the safest way possible for our students, staff and families. Please note that as with all plans, especially during these challenging times, these documents are fluid and may be updated if new information becomes available to us. So please continue to check your emails and the OLPR website in the coming weeks.

We ask that you please take some time to view the plan available on the reopening page of the OLPR website. Next week, parents/guardians will receive an email from your student's classroom teacher for virtual back to school night. It is required that at least one parent attend. During these Zoom meetings individual classroom information will be reviewed, and any questions you might have can be discussed.

As always, please feel free to reach out via phone or email if you have any questions or if you are unclear about anything in our plan. We thank you for your patience and understanding as we worked to finalize our plan, and for entrusting your most precious children to us. We look forward to welcoming everyone back in September, and continue to pray for everyone during these challenging times.

God be with you,
Sr. Mary and the OLPR Reopening Task Force
