

Supply List for 3, 6, 9 Quilt

Bring your sewing machine and neutral thread. Fabric will be provided. This is a simple block and we should be able to complete blocks for several charity quilts! I will provide kits for the first quilt. We will then get creative with 3.5 inch strips that I will provide. You might want to bring your own rotary cutter and mat for the creative part of this workshop. It's a quick block that is fun to make!
