"Cultivate Change through Nurturing Nature"

From the Director's Garden...

Dear Garden Club Members,

As we step into a new year together, I'm honored to begin my term as the Director of Palomar District. Over the next two years, I look forward to cultivating change, nurturing nature, and growing our community of passionate gardeners, leaders, and friends.

Our October meeting marks the beginning of this exciting journey. I invite each of you to embrace my theme—"Cultivate Change through Nurturing Nature" Whether you're a seasoned gardener or newly blooming in your club, your energy and ideas are the roots of our success.

Upcoming Quarterly Meetings

- February 2026 – Hosted by Bernardo Gardeners Club
- June 2026 – Hosted by Descanso Garden Club

I plan to attend as many garden club meetings as possible throughout the year. These visits are a chance to connect, share ideas, and celebrate the unique spirit of each club.

Supporting Each Other Across the District

Let's strengthen our district through collaboration such as:

- Flower Show Volunteers – Share your talents and time to help each other shine.
- Horticulture Sales Support – Cross-club promotion and staffing can boost success.
- Docents for Garden Tours – Reach out to clubs for docents to provide support for these events.

Together, we can create a thriving network of support that helps every club flourish.

Save the Date: CGCI State Convention – May 2026

Palomar District will host the California Garden Clubs, Inc. State Convention in May 2026!

This is a wonderful opportunity to showcase our district's creativity, hospitality, and leadership. More details to come—let's make it unforgettable.

Stay Connected

The best way to reach me is by text at 619-787-9592, followed by email at drummedge@att.net and always happy to hear from you. As director I am here to support each member and club...please do not hesitate to reach out to me.

Thank you for your time and effort each your put into your clubs.
Let's cultivate change together.

Diana

Director, Palomar District
