

## Going Down on Love

You're not the same little girl that I first met.  
I'm not the same old good, 'ol boy. You bet.  
Start out like we did, this what you get.

Have a baby or two and we'll be set.  
A car, a TV, and lots of installment debt.  
Talk about broken dreams, I'm an old vet.

Going down on love.  
I'm going down on love.  
I'm going down on love.  
I'm going down on love.

I called on God, but he didn't answer.  
I called an old friend who wasn't home.

Going down on love.  
I'm going down on love.  
I'm going down on love.  
I'm going down on love.
