706-549-1400

Dr. Lisa Stacy info@awcathens.com

Vet Tech/Assistant FT or PT

This is a part time or full time position available in a busy small animal practice with exceptional clientele located in Athens, Georgia. We are seeking a highly motivated, customer service-oriented veterinary technician/assistant. Qualified applicants will have an outgoing personality, strong work ethic and be proficient at multi-tasking. Salary will be commensurate with experience. Candidate must be able to work full week days and some Saturdays.

Applicant must be proficient in sample collection and evaluation, intravenous catheter placement, administration of medications and vaccinations, performance of routine laboratory tests and radiography. Applicant must be adept at client communication and education regarding routine medical care for small animals.
