Life Lessons

You may have thought I didn't
see,

Or that I hadn't heard,

Life lessons that you taught to
me,

But I got every word.

Perhaps you thought I missed it
all,

And that we'd grow apart,

But Dad, I picked up everything,

It's written on my heart.

Without you, Dad, I wouldn't be

The person I am today;

You built a strong foundation

No one can take away.

I've grown up with your values,

And I'm very glad I did;

So here's to you, dear father,

From your forever grateful kid.

WAITING IN LINE AT THE ACME

Unfortunately the line at the Acme is becoming an issue again. We would hate to have to get to the bus hours before each trip to hand out seat numbers to each person. If we have to do that, it will be one ticket per person that is there. you will not be able to get two. This will obviously be a big inconvenience for us as well, but we have tried to ask people not to do that but lately, it has been happening again that people are in line and then 4, 5, even 6 people get in line with them. It is not fair to the people that have been standing there to get a seat. Some people get there early and wait because they have motion sickness issues or mobility issues and then wind up in the back of the bus. If you are in line, you are able to bring one friend or spouse in. That doesn't mean that your friend can then bring another friend in also. Please be courtesy to your fellow travelers

GIFT CERTIFICATES

LOOKING FOR A GREAT GIFT?

New Beginning Gift Certificates are available for any amount and make a wonderful gift for any occasion!

BUS BOARDING AT BUS DEPOT

Please remember you must sit 4 rows back and be there 1 hour before.

Parking at the Acme. The Acme has asked that we park on a certain side of the parking lot. If you are standing outside and facing the front of the bus, park to the right of the bus. **DO NOT PARK NEAR THE WALL.**

LISA'S BLOG

Just for this month, haha)

To My Dad

Even though there are times that we don't always see eye to eye, we always make it work. I want you to know that I am so grateful that I was blessed to have you for my dad. You are the constant that has always been in my life from the time I was little. You always put me and my brother first before thinking of yourself. We have been through some really rough times and I am so thankful that we have come out stronger and are now able to enjoy life to the fullest. I Love you Dad,

Lisa
