October 2014 President's Message

Well fellow anglers, it has been a great year for fishing. I hope you set aside some time during the year as it has been and continues to be phenomenal. The newsletter should be full of stories and pictures. As the year comes to a close and we look ahead, the October meeting will be about making the club as strong and as all inclusive as possible. We will have nominations for officers, proposed changes to bylaws and suggestions to make the club more interactive and responsive to the needs of its members. We lost our Treasurer K. Chang, a loss which will be missed. She did an outstanding job the past few years and we thank her for her time, patience and efforts on the club's behalf. That means there is an opening on the board. It has also been proposed we consolidate the position into that of Secretary/Treasurer. We will discuss at this month's meeting.

If you have a suggestion, proposal or bylaw change, please put in writing and if you do not want to present it, give to one of the board members. If you wish to run for a position on the board please let us know or have someone nominate you for consideration.

Membership Renewals and Awards Banquet forms were mailed to all members. If you did not receive yours, please copy from the newsletter, website or see Denise or me, as we have extra forms. Remember, early renewal gets you into the early renewal raffle at the awards banquet. Banquet reservations were sent out as we only meet twice before the banquet and I am trying to get a number into the country club. The banquet will be at the Arcadia Country Club on Santa Anita Blvd., in Arcadia as last year.

With all the great fishing, I expect to see many pictures and articles flowing into the newsletter. Sam should be deciding which articles are best and which need to be left out. I, myself am guilty of not submitting pictures so I cannot yell too loudly.

A recent freshwater trip to Bolsa Chica was well attended and I hope the attendance will remain high for our freshwater events. Our Charters were well attended but a few needed outside help to fill. One of the reasons I solicit suggestions is to try and get the trips our members will attend so we can keep the trips sticky club members. I think it is more fun and competitive that way. Again the meeting will be open to suggestions on how to increase attendance on trips and possibly which trips members would want to see in the future.

Finally, remember your Turner's membership entitles you to a discount at all Turner's store for fishing equipment. If you have a problem with any store, please let me know,

The Awards banquet will feature a rod or reel for the Friends of Rollo Raffle which supports our annual kids trip. In addition in 2015 I hope members will take part in the Fish for Food program out of Ventura Sports fishing, Fish for Life out of Huntington Beach (please look this up on the internet), and a planned Turner's kids trip in August. The Kids trip is not sponsored by the club and may be opened to their clubs as needed to get kids out fishing. We may go in halves with Dan Hernandez on one of his ocean trips and/or get other clubs to fill in spots if we do not have enough interested kids from Turner's members.

If you wish to make suggestions, rule changes, or proposed changes to the bylaws, they can be sent to a board member or me at 626 390 7673, WilliamLdavis7@gmail.com or written down and handed to me or a board member at the meeting. The club is only as strong as we all choose to make it. I want an inclusive club where all voices and ideas are heard.

Thank You
Your President

SECRETARIES REPORT

DINNER MEETINGS

We are still able to meet at Mimi's Restaurant in Monrovia. It becomes more and more difficult to find meeting space as time goes on. We have strived to make this relationship work.

In order to maintain a good working relationship with Mimi's each member needs to continue to purchase food at our Dinner meetings. Yes, these are dinner meetings. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance.

If you are unable to purchase dinner please consider dessert and a beverage at least if you eat dinner at home. Also please remember that your check no longer includes the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2014 are the same as last year: \$45 for an individual and \$60 for a family membership. **That entitles you to one T-shirt for individuals and 2 T-Shirts for family members.**

SeaJay September 09, 2014 Trip

BY

Mike Maurizio and Ernie Branch

This was the first time on this boat for me yours thruely Mike Maurizio. So this is how it went--- First cast, first fish on the boat, a big ol" calico bass Lucky me,J.P. all the way. It weighed 4lb. 6oz, Now with that out of the way, I picked up Lanley H. at his home ,it was my turn to drive. Waiting with great anticipation on board -Ernie B.,Rich J., Don Udlock,Jorge Cuevas,Ron Coleman, new comer to our club Carolyn Duncan, Henry Castro, a friend of Ernie. We were short one person, Bill Green. Where was he? It turns out he got on the Is. Tac by mistake, Sleeps all nite there ,but gets on the right boat at the last minute,all accounted for. Ernie caught the "other" half of the J.P. a nice chunky whitefish. Many bass and misc. fish were caught, some released as good sportsmen do. The weather was great and we all had a pleasurable time M.M.

A Tuna Trip

By

Mike Maurizio

A tuna trip for me the next weekend was ok as the bite slowed down. The Tribute out of Sea Forth fished east of SCI along with 20 other big boats in the area. As luck would have it ,the boat landed 300 tuna the last two days, we bagged 57, but better than the rest of the fleet. I caught 3 skippies and 1 yft, all were small. Back at the landing I got to see a wahoo the Outer Limits landed that was cool to see. M.M.

Annual Lake Crowley Trip

By

Mike Maurizio

My annual Crowley Lake trout slam was a bust this year due to windy weather the first two days. 8 fish Thursday and Friday. Saturday the bite picked up a little with 14 caught. A few browns over 21/2 lbs and a beautiful 3 1/2lb. cutthroats was netted. There's always next time M.M.
