Seating at Sunday Mass - a request from the stewards

It's lovely to see people returning to Sunday Mass in church. We need to maintain social distancing to keep everyone safe particularly those who are most vulnerable. Some Sundays it is difficult to find families a place to sit together, so we need to make better use of the space we have. . So we ask: single people to either sit on a chair in the side aisles OR to sit in a bench occupied by one other person.. If every single person sits on a separate bench we lose capacity for families. This way we can safely welcome everyone who comes. Thank you for your understanding.
