

WATCH

Harmful Algae Possible and May be Present

Blue-Green Algae May be Harmful to Humans & Animals

Swimming, wading, and jet skiing are discouraged near visible blooms.

Keep pets & livestock away from water.

- Use caution when contacting lake water and wash with clean water afterward
- Avoid areas of algae accumulation
- Do not let people or pets eat dried algae or drink untreated water
- Clean fish well and discard guts

In case of contact with harmful algae: Call a doctor or veterinarian if people or animals have nausea, vomiting, diarrhea, rash, irritated eyes, seizures, breathing problems or other unexplained illness.
