Consent Agenda

- a) Consent Agenda: Minutes from September Executive Committee Meeting – *David moves to approve the minutes as presented, K'lynn seconds – motion is unanimously approved.*

Debrief Board meeting – K'Lynn Lane, Chair

Information only

The overall consensus was that the quarterly board meeting was chaired well and very engaging, the program team yearly update format was well received and everyone especially liked the success stories and attention to the areas for improvement, and the details provided regarding the procurement process for the Title 1B providers in the South were informative. There was lots of participation by the entire board during the quarterly meeting. There were no areas for improvement discussed.

Financials – Bob Malicki, staff

End of year budget to actual report Program Year 2021 - July 30, '21 - June 30, '22

The budget to actual ended on June 30th, 2022. Most of the budget was doing great and the only area for concern is that the Admin budget didn't get spent down as much as it should have so more was carried into this program year than usually is. There are several big budget items that have not been purchased yet but staff is working to resolve that. The HOWTO grant is halfway through the grant cycle so the amount carried into this program year is acceptable. The entire amount of the Oregon Youth Employment Program (OYEP) grant had to be carried into this program year due to it being awarded late in last program year. Overall, spending is in line with how non-profits work.

EC Works will be receiving \$1.88 million in Oregon Future Ready funding in January or February. This funding will need to be obligated by 6/30/2024 and spent by 6/30/2026. The plan is to use that funding to fill in gaps left by decreasing Federal WIOA funding. The program team is working with our 1B providers to increase staffing since a recession seems imminent.

EC Works' contracts out more than 80% of the funding which makes it a best practices board in our state.

Martin moves to accept financials as presented, David seconds – motion is unanimously approved.
