Course Heron Glen - White (69 /125)
Weather Cloudy 70's

It was the first time Heron Glen was the site of the World Series Championship. We played from the white tees but did not play the drop areas. A challenge for some but not for others. Charlie Connors had a daily double. He was the World Series Champion and finished tied for first in DGA along with Rick Newport. Charlie finish with a Net 71 and won WS by 4 strokes over now former champ Mansour Rismanchi. Certainly a big payday but more to come on World Series and were it stacks up against other years.

I believe we did have a first with two players who DNF, Dave Perry, who had to get to the party at home and Frankie Thiry who just got very frustrated with the carry on 16 and proceeded to the drop area. There certainly was plenty of discussions about how the DNF's impacted foursome bets, side bets and DGA winnings but we did get it right.

In addition to Charlie's first place finishes, he also was in the Birdies, Gross and Net Par 3's pot. Shawn Smith making a rare appearance and won the back with a Net 33. Mike Jeffries had 4 Greenies, Bruce Rapp and John Rutigliano shared the Sandie pot. Andrew Keller won Net Birdies and Net Eagles. In World Series Day contests, Closest to the Pins were won by Jim Petronchak (5th hole), Shawn Smith (12th hole) and Mark Schuler (15th hole). Longest drive was won by Mike Pollack (10th hole).

Speaking of Andrew Keller, he defeated Jim Petrochanchak 4 & 3 in the semi final match of the lower bracket. He parred the first three holes and never looked back. He also learned what it meant when the match is dormie, always something to learn in the DGA. Congratulations Andrew and off to the finals.

Everyone finished before dark in under 5 hours and it didn't impact any scores. Food and drinks after the round were quite pleasant. Another successful World Series Day.
