

OLSS Parochial School Relay Races

The Parochial School Relay Races will be held on **Saturday, May 3rd 2:00pm-6:00pm at St. Mary's Ryken High-school.**

Only student's that are available and can commit to running on May 3rd **RAIN OR SHINE** will participate in time trials this year.

Students **MUST** have a permission form signed and turned in by **March 14th to participate.**

NO EXCEPTIONS OR EXTENSIONS on permission slips will be made unless a student is out sick.

Time trials will begin the week of March 17th. You will be updated on your student's time trial date that week, please be sure students wear good running shoes for trials.

There are only a select number of spots for each grade. You will receive an additional notice after trials are completed to inform you if your student made a spot on the relay team. All practices for the relays will occur during school hours.

Middle School students- We are ALWAYS in need of additional runners in middle school as there are many events for the older grades since they are capable of running longer distances. Please encourage your student to join in on this fun event! The students who participate always have a lot of fun!

Please DO NOT turn in a permission slip for your student if they are not available on the dates above or are not willing to run in the relays if it rains.

The relay races are a long standing tradition that brings students from parochial schools together and was just brought back 2 years ago, after not being held in over 12 years. The students have a great time and are excited again for this year. We hope that ALL students and families that are available, will come to cheer on their classmates and friends to support them in this fun event. We are excited to bring this tradition back and give our students an opportunity to participate.
