

. . . about the citywide garage sale!

Save the \$5 permit fee and the hassle of advertising! Join your neighbors **August 12-13** for National Garage Sale Day — and the day after! — as we hold our first citywide garage sale. The City of Roy will promote the event. If it is successful, we will repeat it annually.

IMPORTANT: If you will participate and would like to “get on the map,” let us know at City Hall by August 4. We will make up a flyer with map dots of participating locations. Email RoyCityHall@CityofRoyWA.us or call.
