

**IF YOU DIED  
TODAY ARE YOU 100%  
SURE OF HEAVEN?**

A life spent giving the gospel door-to-door or in-transit is never spent in vain. While some can see the benefit of this, others, mocking, make different priorities and have no interest or are rather ignorant of soul-winning's humble rewards. They choose rather to pursue luxuries and fame. *But many that are first shall be last; and the last shall be first* (Matthew 19:30).

For people who remain deliberately oblivious to the needs of others, especially those not of their own household, the Bible gives a warning: *Whoso stoppeth his ears at the cry of the poor, he also shall cry himself, but shall not be heard* (Proverbs 21:13). As Cain asked of God "...Am I my brother's keeper?" (Genesis 4:9), that which motivates us to turn away from those in need comes from a misunderstanding of the **love of God** that comes from a **Holy Spirit**. This is the same love and Spirit that Jesus talked about and demonstrated—most vividly by his death on the cross. How did God design a way for us to obtain this kind of love, especially for those of us who recognize our greed and oblivious attitude toward people who present a need that we know we have the ability and resources to help with? God gave us salvation through Jesus Christ that brings an unconditional love from the Holy Spirit in this way:

The reason we die is because of our sin (Romans 3:23, 6:23). The second punishment for our sin is Hell after we die (Revelation 20:15). Jesus' death on the cross was an atonement (a payment) for our sin so that it can be forgiven and God will allow us into Heaven. The only requirement for being saved from Hell is faith in Jesus Christ: *simply ask him to save you, believing in him in your heart*. Please see the prayer on the reverse and ask Christ to save you today.
