VOLUNTEER APPLICATION

GST's Sun State Greyhound Adoptions is a pro-racing adoption program that works very closely with our friends in the racing industry to find the best forever homes for these sweet hounds. Our organization strives to educate the public as to how wonderful these dogs are as pets! We believe that these former athletes' upbringing and racing life contribute to their popularity in the pet world. As ambassadors of retired racing greyhounds, we look forward to working with volunteers who love and appreciate these hounds as much as we do. Volunteers may contribute in many ways: through donations of time, money, special talents you may have, or being a reference to others.

Please complete and sign this application if you would like to volunteer with us.
