DEPARTMENT 14 - FRUITS & NUTS

Superintendent: Maureen Anderson 724-316-6173

In selecting fruit for exhibition, choose specimens that would bring the highest market price. Do not select the largest. Select medium size. In Plate displays, select 5 specimens as nearly alike as possible. Each exhibitor must designate the particular premium for which he is competing in special classes and see that the packages are properly tagged. Single specimens may not be considered or shown in variety classes. Premiums will be awarded only when the exhibit complies with the standards, is meritorious and properly named.
