

Faucet Key

Each Condo Building has an external faucet on each side of the building for connecting a garden hose. The faucet requires a key to open the valve. Condo Owner can purchase a 4-Way Stem Key at most hardware stores.

Street Side Faucets located on Patios (106,206, 304)

****Please check in with the unit owner so that they know you will be on their patio.****

Courtyard Side Faucets located by Maintenance closet
