JANUARY 2026

JANUARY SERVICES:

- 4 "Rev. Faerie" Elaine Silver "Sacred Activism." (zoom available)**
Sacred activism is the practice of aligning our values with meaningful action for justice peace, and the Earth. It honors both inner integrity and outward engagement, reminding us that how we act matters as much as what we seek to change. We punctuate the material with music and singing, which helps to better embody the ideas presented, creates a higher group and individual frequency, and just plain feels good. :).
- 11 Rev. Bob Murphy "American Revolution: Work in Progress" (zoom available)**
- 18 Geoff Kaufman "From The Diggers to No Kings: The Power of Song in Social Movements"**
- 25 Rev. Doug Slagle "Martin Luther King, Jr. and the Power of Understanding, Forgiving and Loving Our Enemies"**

HERE is the reusable link for weekly attendance via zoom:

We welcome our **UUA AFFILIATE MINISTERS** on a regular basis:

Rev. Bob Murphy and Rev. Doug Slagle

PRESIDENT'S NOTE:

Greetings, all!

Another year dawns—in which I wish you all time to live, learn and laugh daily.

I invite you to **'COME CLIMB MY HILL'** (*Winston O. Abbott*):

"because--
you have listened
to the heartbeat of the earth
you are especially invited to--
come climb my hill
and share with me--
the quietude of woodland paths--
the friendly patter of the rain--
evening skies splashed with the crimson fires of sunset--
vesper songs and wishing stars--
moon drenched meadows and the majesty of storms--
come share these things of beauty--
come -- come climb my hill--

.....
it is the sense of mystery--
that gives to life--
its majesty--
for it comes--it goes--
it is the song of bird upon the branch--
it is the silence when the song is gone--
it is as fragile as a spark before the wind--
and yet its light may rise to be another star--
it is the radiance of the dawn--
and the mysterious pathway to the dark--
.....

do you not know--
that our lives-- both yours and mine--
are woven into one
by countless fragile threads of different colored dreams--
.....
live slowly--
through each fleeting day--
remembering--
always remembering--
that a life is but a footstep on the journey toward perfection--
each day a tiny speck upon the vastness of eternity--
each hour a grain of sand beneath our faltering feet--
for time is of man's own dreaming--"

May we all find HOPE, PEACE and LOVE in the coming days!! BLESSED BE.
Joy Brown Taylor
