Welcome

Welcome Members and Friends of the Brandeis Phoenix Chapter's 33rd Book & Author Event. We're delighted that you have joined us for the Diamond Jubilee celebration of the 75th Anniversary of Brandeis University and the Brandeis National Committee (BNC). The Phoenix Chapter, one of the founding members of the BNC, has been a proud supporter of Brandeis University for 73 years and we are still growing strong.

Your presence here today is an affirmation that for the past 33 years, the Phoenix Chapter's Book & Author momentum continues as one the most recognized events in the country. We bring nationally known and new authors to our community for you to meet, buy their well-reviewed books and have them personalized for you. The boutiques offer a selection of items that definitely add excitement to the day.

Why is this event so meaningful? All proceeds from the Book & Author luncheon, book sales, boutiques and centerpieces will go toward the *Legacy of Louis: Inspiring Inquiry* Campaign that will create a research archive of original letters, photographs, and documents that shed light on the life and lasting contribution of Justice Louis D. Brandeis, the first Jewish Supreme Court Justice and namesake for the University.

Thank you to all the "Bookmarks," whose donations will help make this possible and to all of you. You are all GEMS to us!

This special event is a labor of love and it truly takes a village to make our cocktail reception, author dinner, luncheon and boutiques happen - we thank everyone involved, who volunteered their time and efforts - a huge Thank You to everyone.

Enjoy the day and we look forward to seeing you at the 34th Book & Author event next year!

Guest Speaker

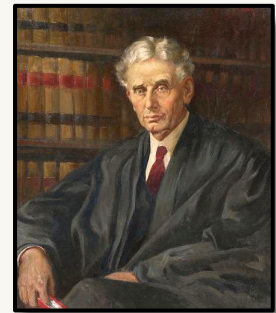

Ronald D. Liebowitz, Brandeis President

President Liebowitz joined Brandeis in July 2016 as the university's 9th president. He is a political geographer, who earned his doctorate at Columbia University, and who joined Brandeis after a successful eleven-year term as the president of Middlebury College in Vermont. In a special edition on higher education, *Time Magazine* named President Liebowitz one of the nation's top-10 college presidents.

Under President Liebowitz's leadership, Brandeis has reaffirmed its special role in higher education, and has ushered in a new era of transparency and accountability as it refocuses on the quality of the undergraduate experience and the intellectual strength of its faculty.

This Event Supports:

**The Legacy of Louis:
Inspiring Inquiry**
as the university nears its milestone
75th anniversary in 2023

[The Legacy of Louis: Inspiring Inquiry](#) will reinvigorate the Brandeis Library's mission to empower its community to become scholars, creators, and innovators through the creation of two interactive additions to the Library. The first will be the construction of a research archive of original letters, photographs, documents and family objects that shed light on the life and the lasting contributions of Justice Louis D. Brandeis.

The second addition to the Brandeis Library will be the creation of a new Judaica reading room in the library. This space will provide the Brandeis community with a place to engage with Jewish texts outside of the typical classroom and religious environments. By presenting Jewish texts in conversation with writings from cultural and religious traditions from around the world, the room will serve scholars and students alike.

In 1948, the BNC (formerly BUNWC) was founded alongside the university to provide philanthropic support and now nearly 75 years later, continues to support the mission and principles upon which Brandeis was founded.
