

NAFOA - NATIVE AMERICAN FINANCE OFFICERS ASSOCIATION

Register and Participate in Career Basics!

Free for Native youth ages 18-26 until September 30

Career Basics is a free online program specifically designed for Native youth and young professionals ages 18-26 years old. The self-paced program will teach you invaluable career readiness and financial literacy skills to prepare you for the workforce. Learn how to write a cover letter, how to budget your finances, how to do an elevator pitch, and more with our free online program.

Program Details:

Program and Registration Dates: August 2 - September 30, 2021

Participants proceed at their own pace during their registered program dates. The average curriculum completion time is 8-12 hours.

Registration Link: https://nafoa.org/institute/career_basics/register

Eligibility and Cost:

The program is free and open to self-identifying Native youth and young professionals ages 18-26 years old.

Location:

The program is online. However, if you do not have a stable/consistent broadband internet connection, please email education@nafoa.org to make arrangements and still be able to participate remotely.
