***What is a Rotary Short Term Exchange Scholarship?***

This Rotary sponsored and organized program sends America's best student ambassadors age 15 to 19 on a summertime reciprocal exchange adventure in a foreign country...that is, you would live with a family in a foreign country for 4 to 8 weeks and then their student would come to live with your family for the same length of time, usually during summer break from school. Both families take the opportunity to show their foreign exchange son or daughter some of what their country and culture have to offer.

***What countries can I go to?***

Most countries in the exchange program are in Europe, Central America, and Mexico. We club prefer that you go to a country that speaks a language that you are currently studying, whether that is in school or through a self-study program. However, other countries also work fine as do English speaking countries. The Rotary Matching Coordinator makes every attempt to match you with a student of like interests.

***What are my costs for the program?***

- Round trip airfare
- Your own spending money, gift for host parents and family members, small hostess thank you gifts for others
- Processing fee for Rotary: \$250 due at the time of initial interview
- Health and accident insurance that meet Rotary requirements (can be obtained through Rotary at an approximate cost of \$50 to \$70)
