The Lumberjack Resource Conservation and Development (RC&D) Council, Inc. prohibits the discrimination in all its programs and activities based on race, color, origin, gender, religion, age disability, political beliefs, sexual orientation and marital or family status. Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact our office at 315 S. Oneida Avenue, Suite 206, Rhinelander, Wisconsin 54501 or phone: 715-369-9886. We will work with them to provide the alternative communication method. Lumberjack RC&D Council, Inc. is an equal opportunity provider and employer.

## Vision statement

Sustainable Resources for Vibrant Communities

## Tagline

Conservation That Works!

## Mission statement

*Lumberjack Resource Conservation & Development Council, Inc., a multi-county, nonprofit in Northeastern WI, strives to enhance area natural resources, promote a higher standard of living and improve the quality of life for area citizens by fostering partnerships between public and private sectors and strategically investing in area natural resources.*

## Lumberjack RC&D Council, Inc. is:

- a tax-exempt nonprofit corporation with a 501(c)(3) designation and State of Wisconsin charitable status
- administered by a group of community leaders who provide direction and leadership to identify and address area needs
- a program that relies on multi-county cooperation and the creation of partnerships
- a program that allows for interagency cooperation and provides increased access to state and federal programs
- a program that helps coordinate the development of natural, economic and human resources
- assisted by staff and consultants to help implement projects
- comprised of committees that deal with a variety of project ideas and Council issues: Executive, Grant, Agriculture/Energy, Finance/Contracting, Forestry, Personnel/Special Events, and Recreation-Tourism/Rural Development.

## Local sponsors

County Boards of Supervisors and County Land Conservation Committees (LCC) sponsor the Lumberjack RC&D Council by paying dues and providing one representative and one alternate to the Council's Board of Directors. Tribal groups may also be a part of the Lumberjack Council, pay dues and have voting representatives. They must be approved by a majority vote of the Council at a regular meeting. In addition, the Council may approve up to seven At-Large members with full voting privileges. At-Large members may not be elected or appointed county officials.

The Lumberjack RC&D area in Northeastern Wisconsin serves Florence, Forest, Langlade, Lincoln, Menominee, Oconto, Oneida, Shawano, Vilas Counties. Marinette County is within the Lumberjack Service Area but does not currently participate.

# 2020 PLAN OF WORK ITEMS

## 2020 Projects

### Lumberjack Project Submission Information

To have a project considered by the Lumberjack Council, applicants should visit our website's Project Page and use the link below to download our project policy and proposal. A completed application must be presented to the originating county's Land Conservation Committee for approval before submitting to the Lumberjack Council for consideration. Council Members review proposals, hear a project presentation and make funding decisions at the October Council meeting. Once a project is complete, Lumberjack hosts follow-up presentations, giving the Council a great opportunity to see the impact of project dollars.

**Deadline for 2021 projects is October 1, 2020**

MULTI	Pollinator Conservation	\$ 10,000.00
	TOTAL	\$ 69,979.00

## 2020 Governance, Outreach & Fiscal Sponsorship

- In 2020, the Council will review policy update recommendations from the ad-hoc Grant Committee's meeting on 11/14/2019. The committee will remain active for at least another cycle to review for any other policy changes.
- In 2020 and in all years, the Council will consider Bylaws changes that provide clear direction.

- In 2020 the Council will continue to implement Lumberjack's new Brand Policy by budgeting resources to the Marketing line-item and formulating a targeted marketing plan to get the word out about Lumberjack.
- In 2020, the Council will continue the work needed to update the website so that it coincides with the State Association's agreed-upon platform.
- In 2020, staff will work with the Council to continue researching ideas for diversifying Lumberjack's project/revenue scope. In 2019 we...
  - 1) extended the necessary insurance and credentials to offer invasive species control services and in 2020 we will implement this fee for service by fulfilling contracts
  - 2) Contracted with two individuals to write their forest management plans and continue to support Paul Mueller being a certified TSP with NRCS & WDNR Cooperating Forester & Plan writer. With these credentials, Mueller can continue offer this fee for service. In 2019, we plan to promote these programs even more.
- In 2020, several organizational and operational policies will be updated, developed and adopted to improve internal control:
  - Update Conflict of Interest/Code of Ethics
  - Adopt Income Recognition Policy
  - Adopt Internal Control Policy
- In 2020, staff will continue to implement Charities Review procedures that help non-profits become exemplary organizations.
- In 2020, the Council will continue to fiscally sponsor WHIP, TIP & WYFP and help administer their grants and programs and help them with organizational development.

## 2020 Forestry Program Plan of Work

- In 2020, the FIA/CFI Forest Inventory Program will complete the 1<sup>st</sup> year of the new 5-year contract that was awarded in September of 2019. The FIA Supervisor will continue to work with staff to improve performance and efficiency. The forest inventory program continues to be the largest contract and income source for Lumberjack.
- In 2020 we will continue our new work of doing Forest Inventory for Bayfield & Iron Counties and research the possibility of acquiring other counties.
- In 2019, the FIA Supervisor and the Executive Director will work together to develop ideas and plans to help market our new services including NRCS Cap 106, Management plans and WDNR MFL Plans.

# Administrative Time

Administrative Activities:

- Council Support activities include organizational development, writing Area Plan and annual Plan of Work, preparation for Council, Executive and other committee meetings as required. The Annual Plan of work may include Executive Director goals to coincide with the Plan of Work and the Area Plan.
- Project Implementation is an estimate of time spent on research, planning, coordinating, implementing, administering and progress reporting for Council-approved projects, forestry programs (FIA/CFI & others) and fiscally sponsored agency grants/contracts (WHIP/TIP/WYFP.) During 2020 Lumberjack will be administering 28 grants/contracts.
- Office Administration includes time for work planning, office management, time reporting, processing mail, accounts payable, accounts receivable, payroll, maintaining accurate General Journal and conducting annual audit.

Activity	hours	percentage
Council Support	250	15
Project Implementation	1000	60
Office Administration	414	25
Total	1664	100
