DROP OFF AND PICK UP

Things are a little different for us due to the pandemic. Hopefully things can change as we move along in the year, but here are the policies as we begin September! Please know we truly wish we could all be together like before, but want to keep our dancers, families and community safe and keep our business open! Thanks in advance for your help!

- Studio lobby and dressing rooms remain closed. Parents, siblings and dancers are not allowed to sit in the lobby or remain inside during class.
- Parents of little ones may walk their dancer to class, but please be mindful of social distancing. Please don't plan on staying in the bldg during class.
- If your dancer is old enough to walk in alone, we ask that they do so.
- Instructors will walk young dancers out into the lobby and doorway to find their parent and make sure they are safe.
- Dancers with breaks longer than 15 minutes between classes are asked to leave the studio between since there won't be a place to sit.
- There are socially distanced spots in the lobby for dancers to wait for their class to begin. All studios are clearly marked with socially distanced floor decals and tape marks.
- Dancers will use hand sanitizer upon entrance and exit of each class.
- Studios will be sanitized between classes and deep cleaned each day.
