

## **We Care Program!!!**

Being homeless, stranded or down and out is not a choice that individuals wake up and make. Today we want to let you know that there is someone who cares. We are trying to do our part through our "We Care" Program. The small gift we pass out hopefully can help nourish the body, mind and soul. The Bible tell us that "I can do all things through Christ who strengthens me" Philippians 4:13. At BBV2M LLC., we practice that and believe it. We are hopeful that our gift brightens the day and gives encouragement to those in need.

## Abuse Against the Homeless

When it comes to abuse regarding the homeless there are two major categories. Self-inflicted abuse such as substance abuse and third party abuse. Third party abuse is when individuals intentionally inflict physical abuse to a homeless person because they are homeless. Sometimes this abuse comes from adults but it can also come from our youth.. This abuse is usually inflicted on the elderly, female and disabled homeless. These three groups are the most vulnerable of the homeless next to children.

## Let's Intervene!!!

When we see such abuse happening it's our moral responsibility to intervene by engaging the process so it will stop or getting help. We can make a difference!!
