### **NOTICE OF LIQUIDATION OF KENTUCKY HEALTH COOPERATIVE, INC.**

#### **From the Liquidator of Kentucky Health Cooperative and his Special Deputies**

The Franklin Circuit Court has issued an Order authorizing the Commissioner of the Kentucky Department of Insurance to liquidate Kentucky Health Cooperative, Inc. ("KYHC"). The Liquidator is directed to take possession of all assets (wherever located) of KYHC and administer those assets under the general supervision of the Court. A copy of the Liquidation Order and FAQ's are on the websites of the Kentucky Department of Insurance, [insurance.ky.gov](http://insurance.ky.gov) and KYHC, [mykyhc.org](http://mykyhc.org).

The Liquidator and his Special Deputies are authorized to deal with the property, business and affairs of KYHC for the benefit of KYHC's policyholders and creditors and to take any and all necessary actions to effectuate an orderly and timely liquidation.

This notice is being sent to all healthcare providers of KYHC insureds. **Properly submitted claims via currently established procedures for healthcare services provided to KYHC insureds (including all claims already filed) are sufficient to establish a claim with the KYHC Liquidator. No formal proof of claim is necessary. Claims for healthcare services provided to KYHC insureds should be filed in the normal course of business as you have always done.**

Providers should continue to accept and treat KYHC members and should check through the KYHC provider portal or through KYHC health provider services to determine KYHC insured's eligibility at the time of service.

**All claims for healthcare services to KYHC insureds should be submitted by October 15, 2016.** Claims will be processed as they are submitted and providers are encouraged to file claims as soon as possible after the date of service to assure timely payment. **Do not submit duplicates of claims previously submitted.**

Policyholders are responsible for any deductible and co-pay amounts due under the policies.
