

God at Work

I feel strongly to encourage you that heaven is at work in your life. It's not about what you see, its about what you can't see. I feel so strongly to stress this, "Its not about the things you see, it's about the things you can't see."

God says, "Just because you can't see it, doesn't mean that heaven't isn't working behind the scenes to brings Kingdom purposes into place in your life."

I want to encourage you each to PRESS in hard for whatever it is you are trusting Him for. I know you've heard this before. I know I am not saying anything you not have not heard before. But honestly, it's reverberating through my heart over and over, "It's not about what you see, its about what you can't see."

Repeat after me: "It's not about what I see, it's about what I can't see." Say it again, and again and again!

God has a plan. STOP listening to the lies. As you press in, you are establishing your ground in areas He has called you to. As you press in, your faith reveals what ground belongs to you. He has spoken to you and it rightfully belongs to you. Say it, "It belongs to Me. It is mine!"

Yes, there are things that are trying to hinder you. They are trying to prevent you from advancing in Christ. They are trying to gain space in your life. They are trying to take way what belong to you. And it's not just about right now, they are trying to lay claim to what belongs to you in the future.

But GOD (Ephesians 2:1-9)...

God has other plans (Jeremiah 29:11)...

HIS plans are REDEMPTIVE (Luke 19:10)...

HIS PLANS are ETERNAL (Ephesians 3:11)...

HIS PLANS are LIFE (John 10:10)...

Let there be no doubt. HE is REDEEMED BACK those THINGS to you that rightfully belong to you. He already paid for it. It is, and always has been rightfully yours.
