

2019

Faith in Jesus Christ is the first principle of the gospel and the only way in which you can receive Him as your Savior. Your life in Him started with faith, and hopefully end with faith.

2019 has arrived. The old is done, and the new has arrived. It means a clean slate and another opportunity to begin fresh again. The Lord wants 2019 to be a new beginning for you. These are not just words spoken, but they come from the heart of God.

2019 is a year to walk more victoriously. He is calling you to compromise less, to commit yourself even more to Kingdom purposes, to follow Him more closely and you will do it all by taking Him at His Word and not allowing the past to dictate your future.

God says, "There is purpose for Your life. Your life has purpose. You are not a mistake. Your life has meaning. You are important. There is a reason why you exist. You have a place of purpose in the Kingdom of God. You are so important that His eye is always upon You. Stop doubting it! You exist for His purposes.

Its a new time for you. Its time to be free from the things of 2018 that are trying to hang on.

Right now, turn 2018 over to Him. I mean literally turn 2018 over to Him. Every hurt, every failure, every disappointment, every victory...every thing! Speak out loud and say, "Lord, by faith I surrender every aspect of 2018 over to you. Whatever happened is over. Whatever 2019 brings my way, I am walking it out with my faith firmly planted in you."

Never lose sight of who He is. "Put your hope in the LORD, for with the LORD is unfailing love and with him is full redemption" (Psalm 130:7). He is the Eternal One, Maker of heaven and earth, and your Creator. He is in all things, and He holds all things together. He will be in every aspect of 2017- don't take your eyes off Him!
