Clerks report from August was passed out. Financial report from town office has not been received.

Combined Business Items – Old Business.

- Bottles have been tested.
- Dale Cressey pipe has been supplied, not sure if it has been installed.
- Jason and Steve did attend the Propane Response Academy. Possibility to have a one day training next spring in town.
- West and East Baldwin have had driveway sealed free of charge. Recommended to offer \$100 gift certificate from East and West. D & R Paving (Dan Brown). Shopper Guide thank you. Longhorn and Olive Garden.

Combined Business Items – New Business

- Fire prevention week. Pumpkin Patch asked for something on the 14th. Kyle has offered to do something. Check on OVCS.
- Valve discussion.
- Ordered Accountability Tags for each member.
- 10-55 head on collision Friday during the day. Just Jason and Howard. If officer not on scene then be comfortable calling for resources (life flight, Standish, Cornish, Hiram).

- Traffic control should automatically go to East Baldwin channel and stop traffic. Once established then inform incident command.
- We can do better to be sure traffic control is better lit up. Need the vests, lights, etc.

North Baldwin Station – Old Business

- *None*

North Baldwin Station – New Business

- Need to button up station (winterize).
- Lease on North Baldwin Station needs to be resolved.
- Need a paper trail on private loan made for ladder truck.

East Baldwin Station – Old Business

- Still waiting on reasonable price for Survey work.
- Talk to Norm Blake on help with lift to erect antenna. Base is installed.
- Flow testing of Hose from Quaker Brook up to Whistle stop. Ended up with 120 lbs at 995 gpm. Made quota.
- Desk gun ~\$800 – 900. Piece to add coupling and nipple. Probably raise up about 4”.
- Washing machine is in the East Baldwin station. Need to hook up.

East Baldwin Station – New Business

- Work party for installing washing machine and completing duct work.
- Lost power saw because used regular gas. Got a new saw with 20” bar.
- Turkey shoot discussion tabled to October meeting.

West Baldwin Station – Old Business.

- Campground – cease and desist order in process. Multiple visits and progress moving forward without approval of town. We will wait for things to settle with town before getting involved as a fire department.
- Lights were installed on squad and the Indian tanks and brackets.
- New Stop signs came as hand held. On engine 4.
- Still need couple of loads of gravel to level up to tank.
- Security system needs to be installed. Work day for truck check and install will be October 3rd at 6:30 PM.

West Baldwin Station – New Business

- Josh Guptill will be out of commission for about a year. We will have to work together to keep things going. Check in with Howard for station work.

Adjourn at 7:40 pm. Next meeting is October 24th at East Baldwin Station 1.
