

FERRET BUCKEYE BASH 2012 - Aug. 25, 2012
CONGRATULATIONS TO ALL THE CHAMPIONSHIP RING WINNERS!

Please bear in mind that a judge cannot judge their own ferret. If a judge's ferret places in the two other rings, the placements are averaged and that is the placement the ferret would get in that judge's ring. I.E. - if a ferret places 1 & 3 than in the owner/judge's ring it would have a 2 place. The highest placing ferret that places in all 3 rings gets Best in Show. The highest placing Opposite Sex of the Best in Show, gets Best Opposite. Placements are added together and divided by 3. The lowest score is Best in Show/Opposite.
