

VOLUME 25 ISSUE 2

APRIL 2025

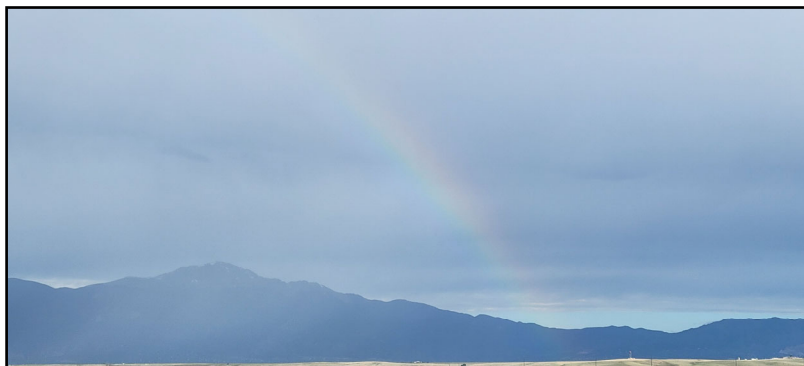

Spring has sprung!

For those of you who haven't noticed, our variable spring weather is here in full force. Wind, wind and more wind along with snow, rain, graupel and particulates from our wildfires all add to the kaos we call the season of Spring here in Colorado! We have to watch the weather closely if we want to exercise our ponies, but on the other hand you need to be ready for anything that might come our way.

The Mustang Birthday Cruise on Saturday, April 12 was a great success with over 23 Mustangs in attendance. The cruise route created by Reed and Wes provided views of the Broadmoor, downtown Colorado Springs, Garden of the Gods, Old Colorado City, Ute Pass and Woodland Park all condensed into one bright ,beautiful morning drive. Printed directions that were provided were most helpful as the group got separated by traffic, construction and the numerous other drivers on the road Saturday morning

Thank to the guys for a job well done!
